

1967 BLUEJAY

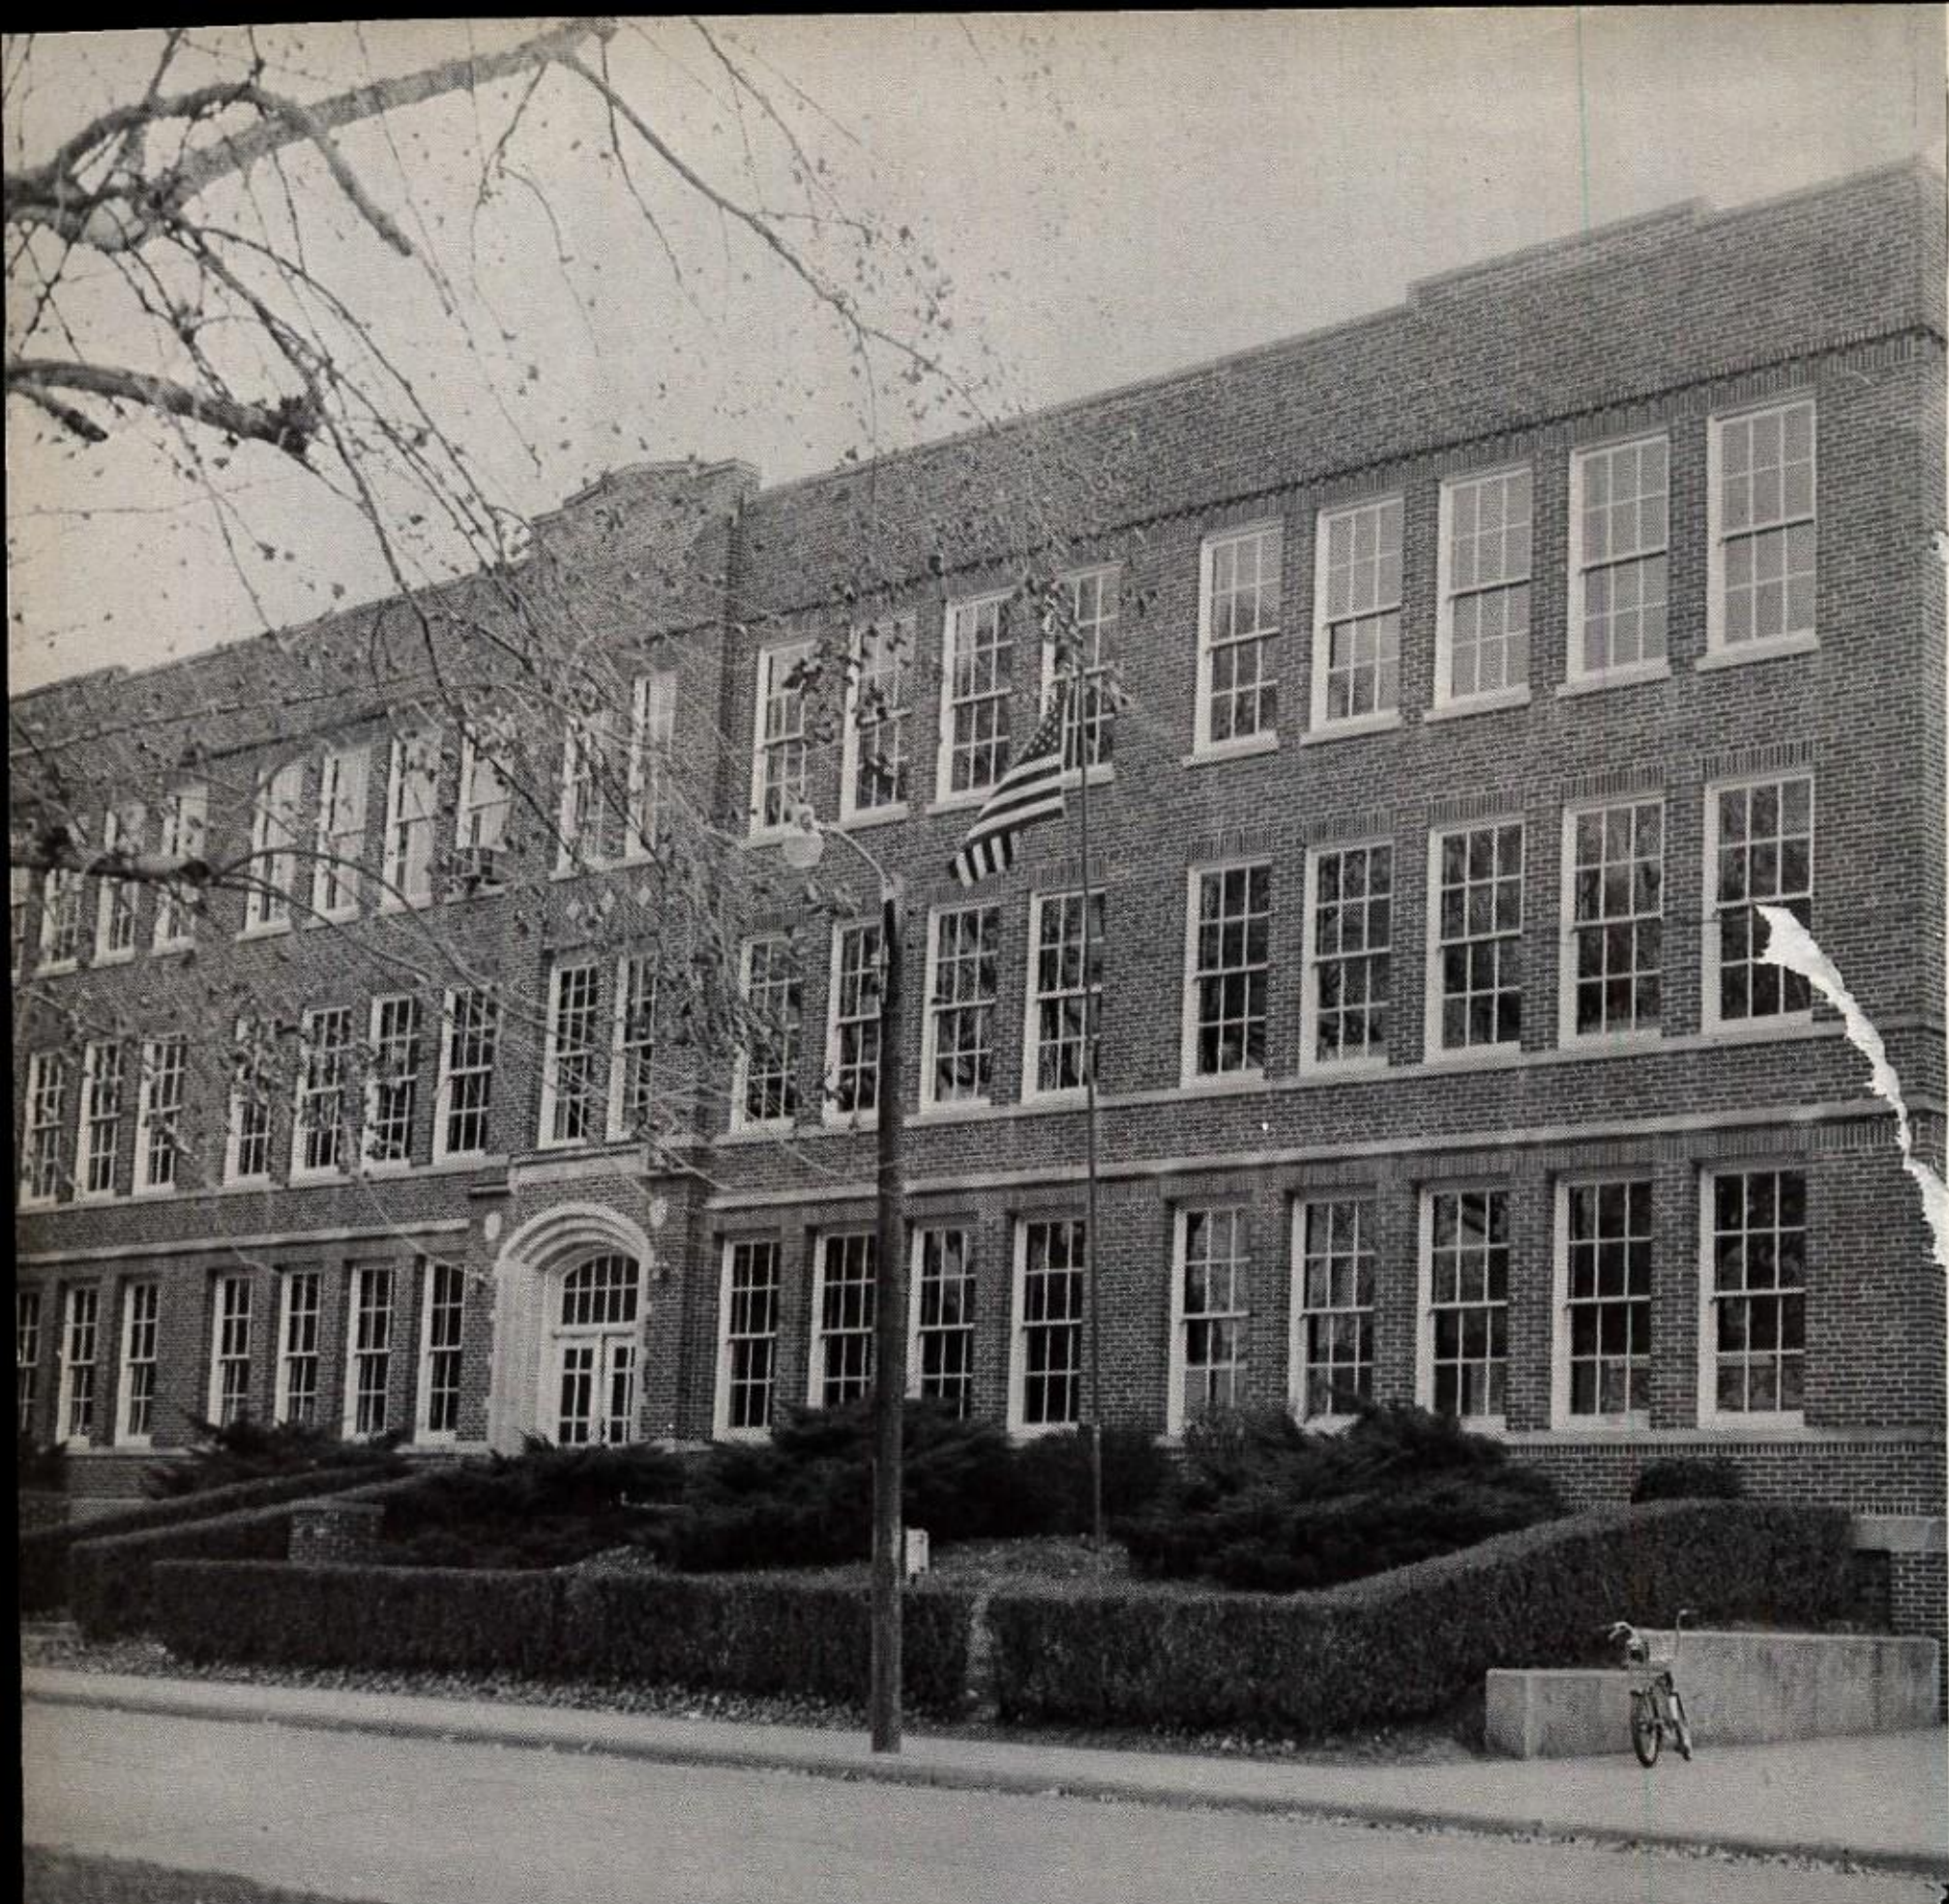

The
Annual Staff
Presents the

Rock Port R-II School
Rock Port, Missouri

WHAT IS A YEARBOOK?

Just as Rock Port High is not just a clean, L-shaped brick building, not just seven hundred some students and thirty six teachers, not just victorious athletic teams, talented musical groups--but the essence, the vitality, the warmth, the intangible living heart of all these--so a yearbook is like a magic mirror capturing, holding, and reflecting forever the vibrant force and personality which was our school year.

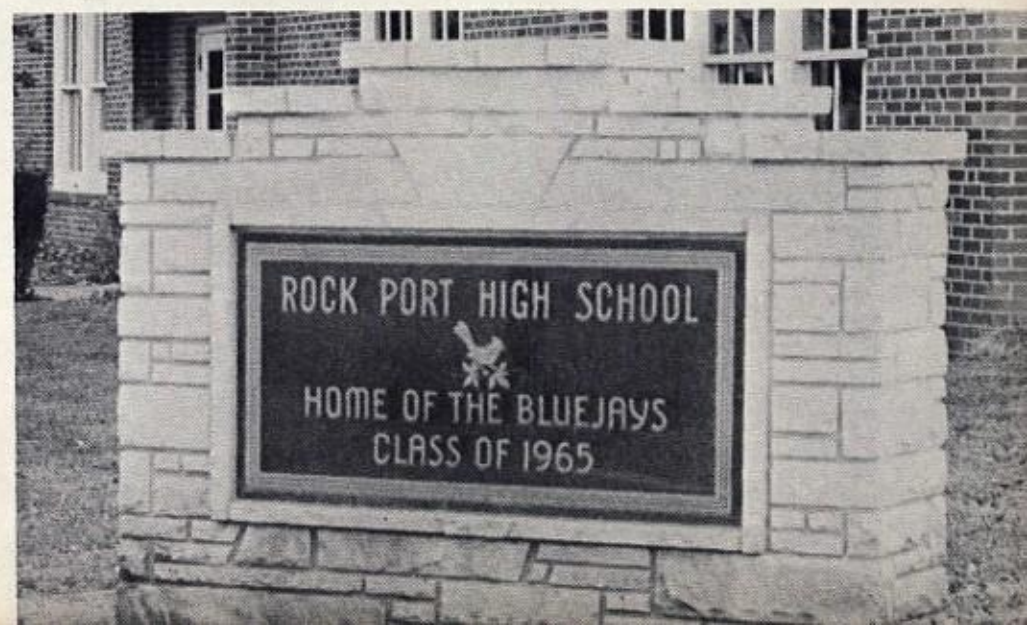

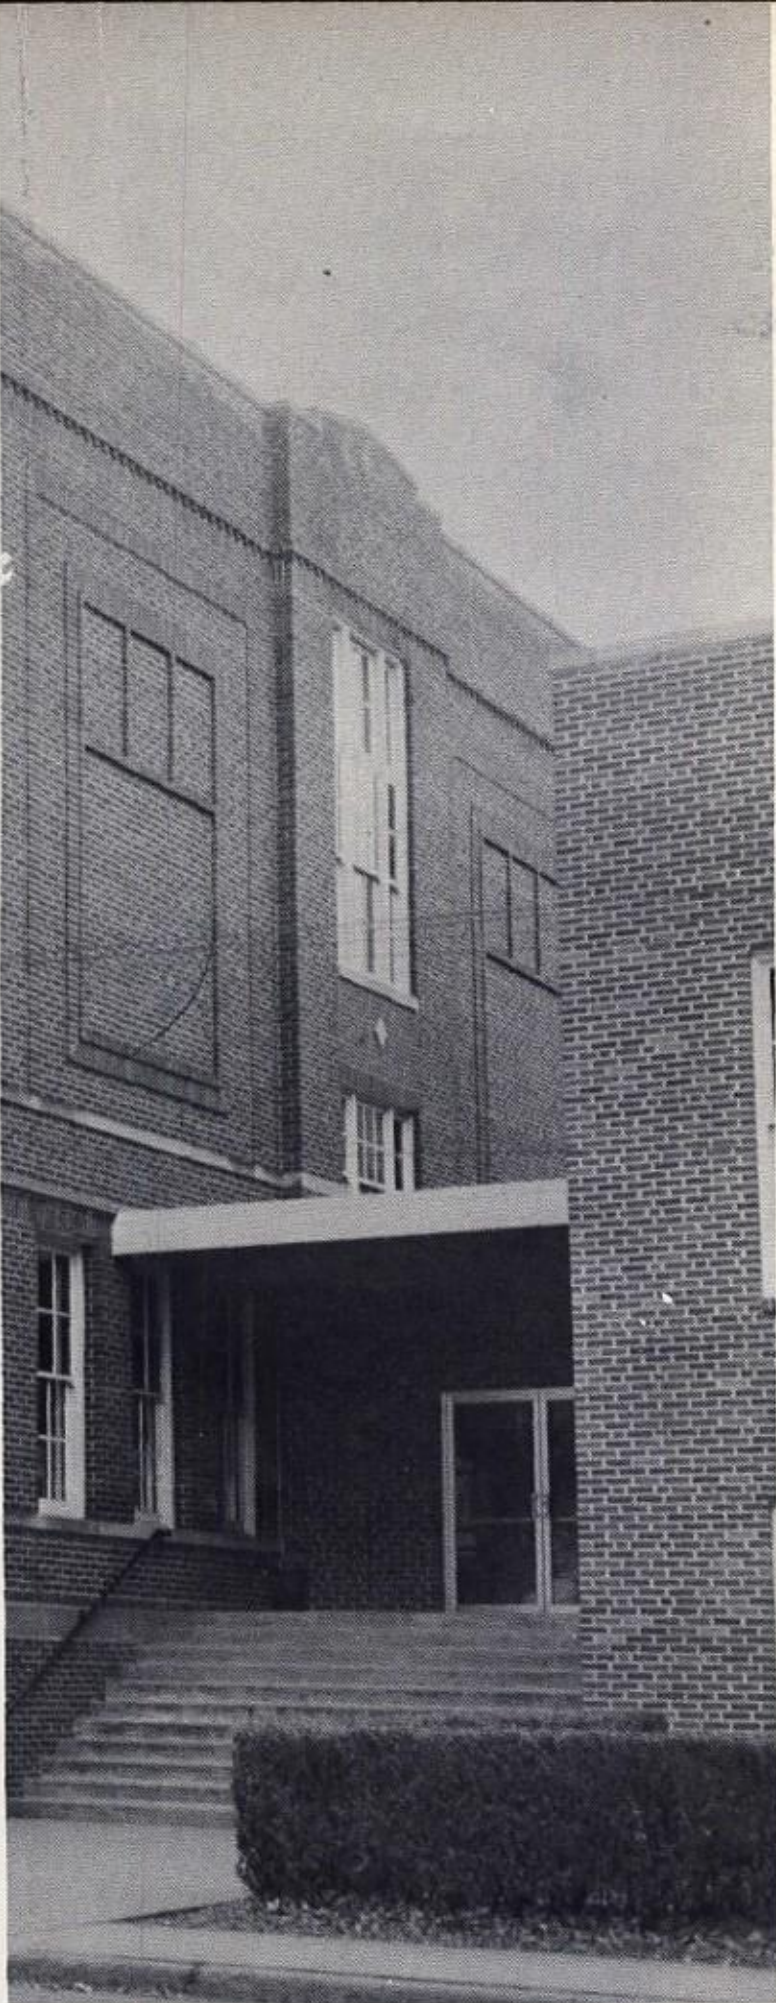

A yearbook is people--and people are laughter, tears, cheers, taunts, quick silver dreams, cynicism which seeks solitude to cry, study, and goof off. People--people growing up--but growing hurts!

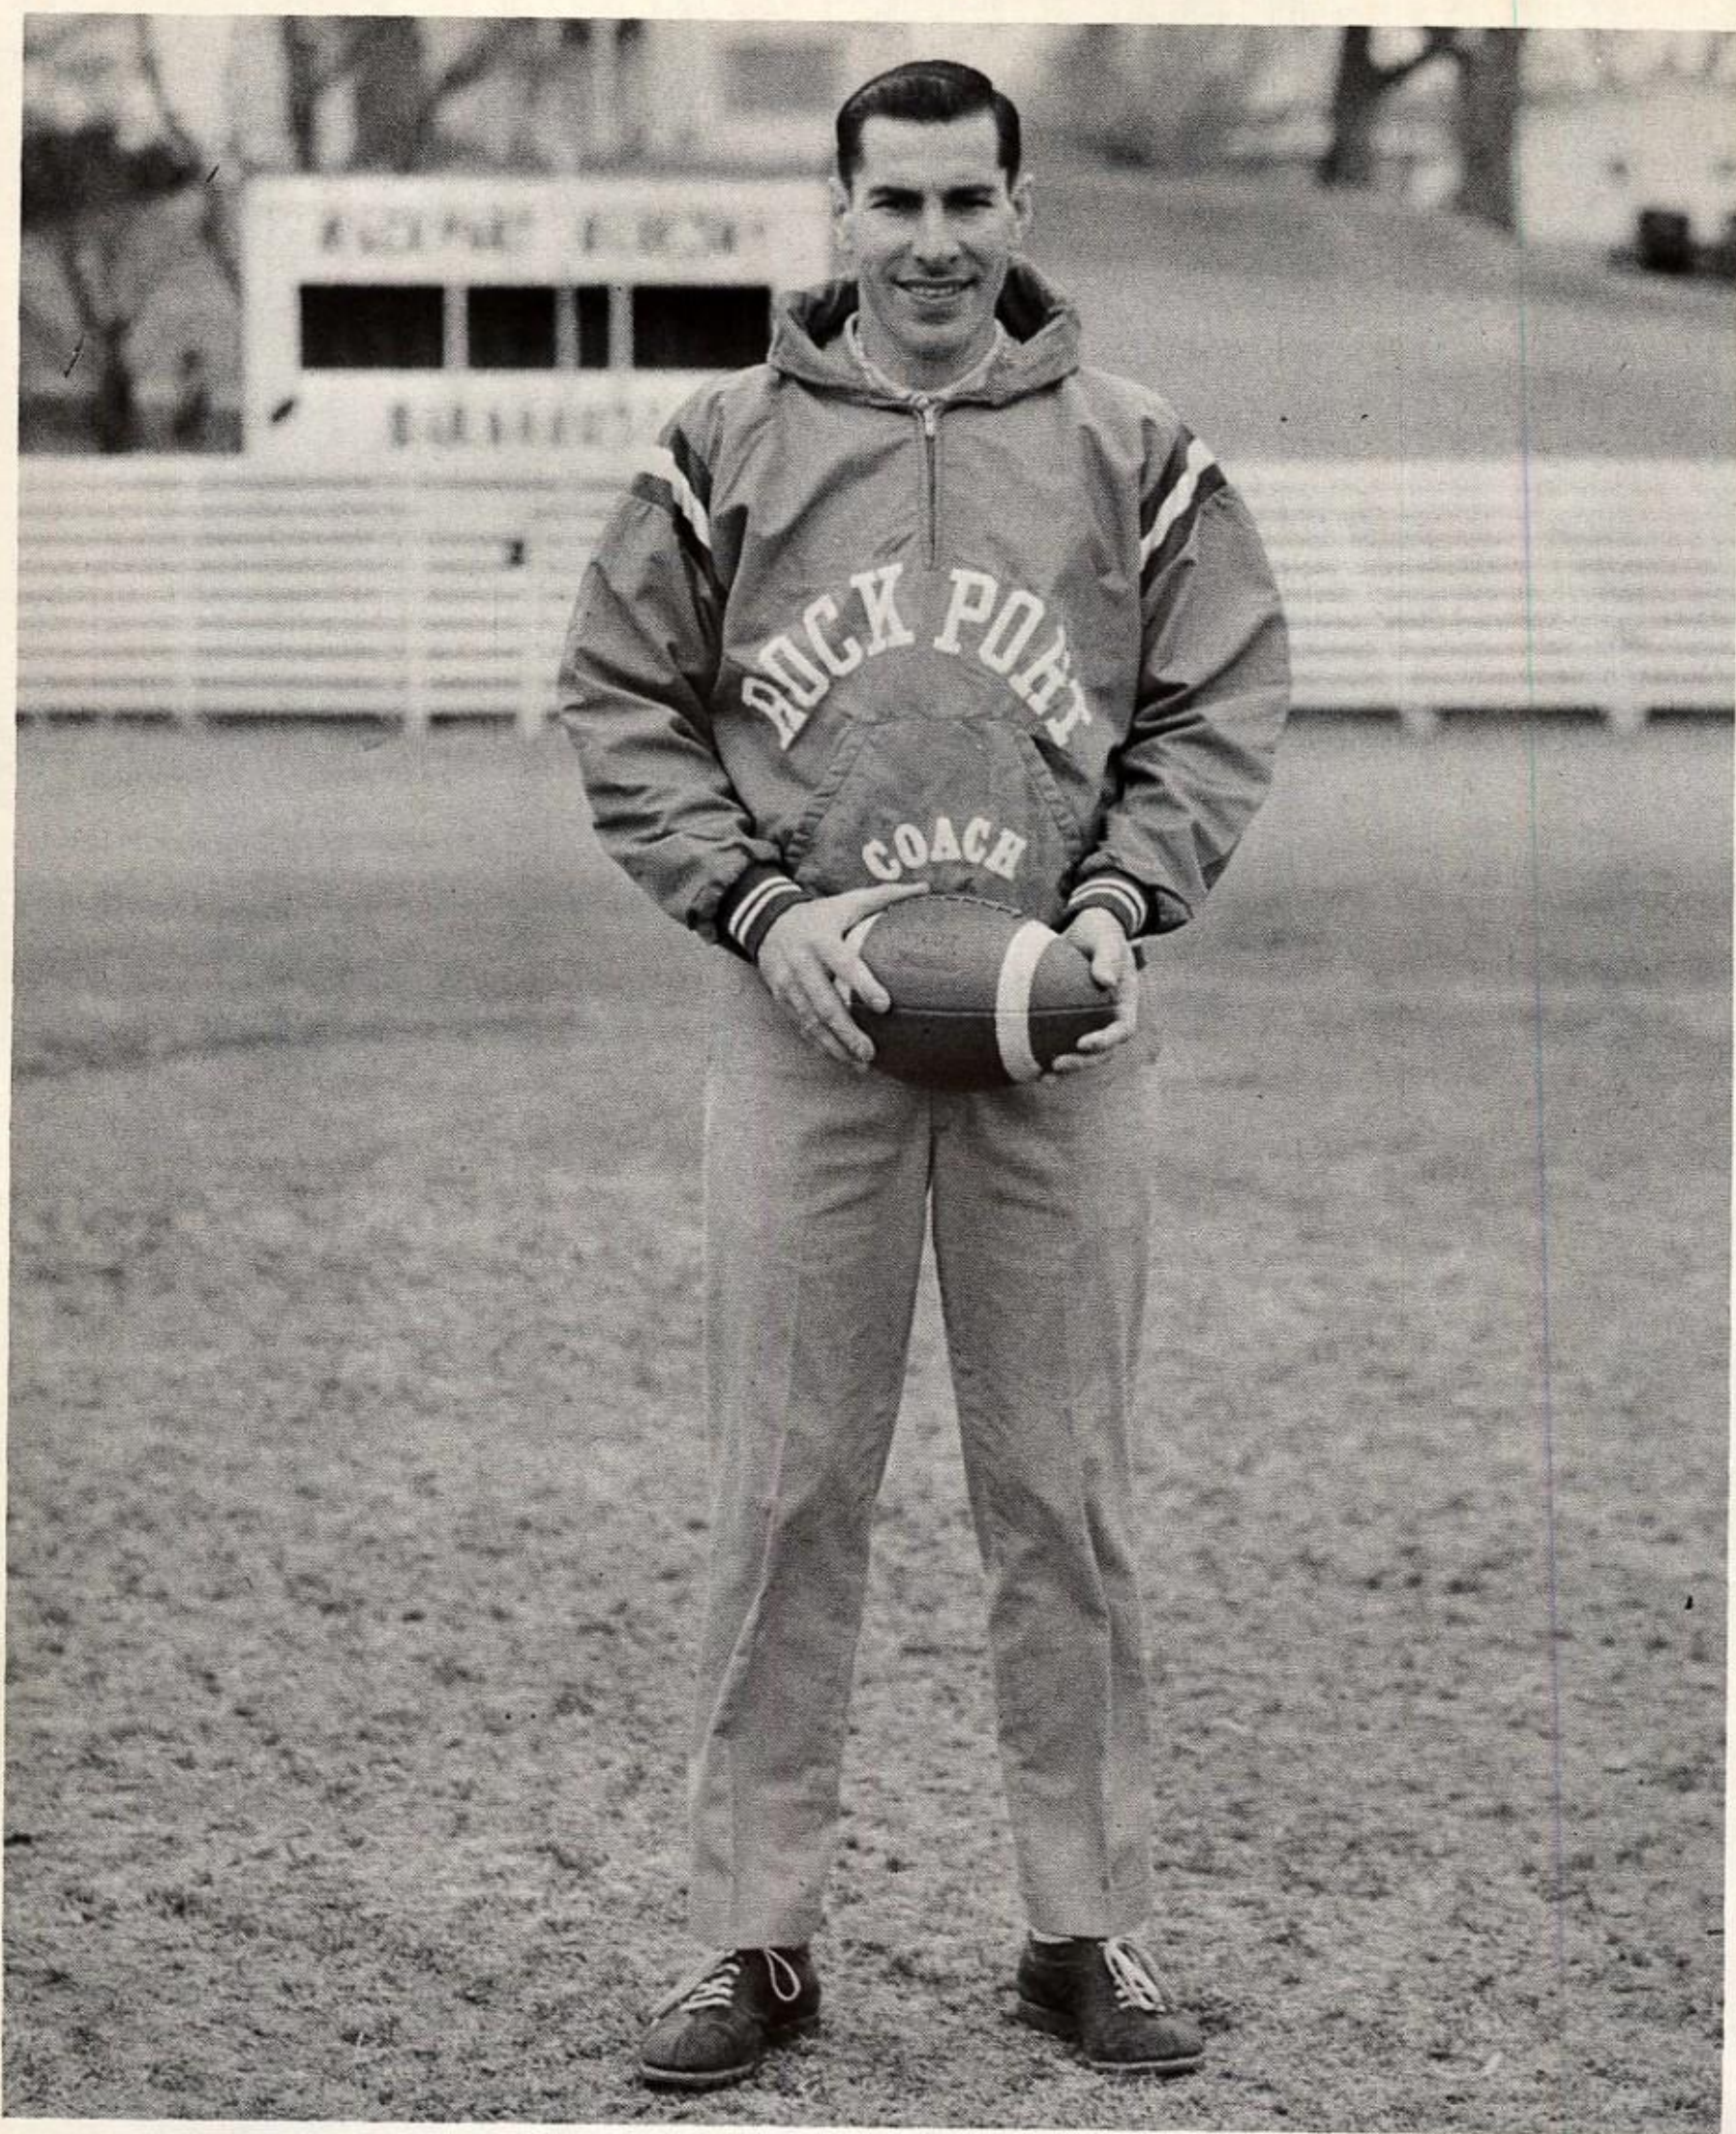

A yearbook is events--proms, music, dates, lack of dates, football games won and celebrated, walking silently together for a last look at the lengthening shadows on now empty bleachers and field, turning quickly away with unhidden tears.

A yearbook is life--a year of life--a year lived--a year now gone--and the promise of all the years that are to come.

The Junior year is an especially busy one. There are football and basketball stands to run, the Junior play, and the Junior-Senior Banquet and Prom to plan for and decorate. To accomplish all this a Junior class needs ambition, initiative, and lots of energy. The Juniors this year have proven to us that they have all these important qualities, by the way they have successfully handled all their many activities.

The past year marked the halfway point for the class of '69. They have proved that they have the stuff it takes to make it through four years at R. P. H. S. There were hours of studying that will never be forgotten, although the Sophomores wished they could be. Most of all, they remember all the good times just getting together.

The Concert Band of Rock Port High School, under the direction of Mr. Roger Buhr, was a very busy organization during the 1966-67 school year. The Annual Winter Band Concert was presented January 30, 1967, in the school gymnasium. The new practice rooms made preparing for contest much easier. After contest, the band began to get ready for the Spring Pops Concert, which was presented May 11, 1967.

Each year the Future Farmers of America entertain their parents in the spring at a banquet and at which time the boys are presented the awards they have earned for the particular school year. Because of the early warm spring weather, they changed their plans to suit the weather and on May 18th enjoyed a barbecue at the city park. Mr. Charles Shaw is their sponsor and was their barbecue chef at this particular outing.

This year our Student Council has been very busy. It has been in charge of many successful projects. They sponsored "Bundle Days" and the Exchange Assemblies, fixed the trash barrels and set them up around the school, and decorated for Homecoming and the Christmas Ball. Most important of all, they revised the Constitution. Under the effective leadership of Jim Carpenter, this years Student Body President, they were able to handle these projects efficiently.
